

IRA Charitable Rollover

Provide braille books to children with vision loss & enjoy the tax benefits

How to Qualify:

- Once you are at least 70 ½ years old, you are eligible to make yearly donations of up to \$100,000 to Seedlings through qualified charitable distributions (QCDs).
- After you are at least 73, your QCDs can also be counted towards meeting your annual required minimum distribution (RMD).

Steps to Take:

- Contact your IRA administrator and request the amount you would like to be transferred directly to Seedlings Braille Books to Children. Make sure it will be transferred directly so you receive the maximum tax benefits.
- Contact us and let us know an IRA rollover gift is on its way! This helps us identify you as the donor when we receive the payment from your financial institution.

Benefits:

- Avoid recognizing the income on the distribution and enjoy the tax-free advantages.
- Meet your annual RMD.
- Make a lasting impact for braille readers across the world!
